Please accept these comments as restated below from
Proponents original petition.

Petitioner respectfully submits that the public interest would be served by allocating Channel 299A to Richland Springs, Texas as that community's first competing FM service.

² Texas Almanac 2002/ 2003

volunteer fire department, its own independent school district and a number of local churches. The proposed channel 299A will provide additional diversity and an outlet for local self-expression to Richland Springs residents and therefore is in the public interest.

Should this petition be granted and Channel 299A allotted to Richland Springs, Texas, Petitioner will apply for Channel 299A, and after it is authorized, will promptly construct the new facility.

The factual information provided in these Comments is correct and true to the best of my knowledge.

Respectfully submitted,
